

**Session Program**

**4-8 Dec 2023**

**Zimanyi Winter School**

***QCD and cosmology***

# Thursday 7 December

09:00

## QCD and cosmology

Session | Location:

09:00–09:35 **QCD in the early Universe**

**Speaker**

Dr Michal Sumbera

09:35–09:50 **Galactic hydrodynamics with thermodynamic gravity**

**Speaker**

Máté Pszota

09:50–10:05

**Probing the onset of the deconfinement phase transition in hybrid stars with radial oscillations**

**Speaker**

Christoph Gärtlein

10:05
