

Zimanyi Winter School

Friday 8 December 2023

Small systems (09:00 - 10:45)

time	[id] title	presenter
09:00	[77] Quantifying the Underlying Event in High-energy pp collisions from RHIC to LHC	Dr BARNAFOLDI, Gergely Gabor
09:35	[78] Multi-parton interactions in pp collisions using charged-particle flatnecity with ALICE	BENCEDI, Gyula
09:55	[79] Jet substructure measurements in heavy-ion collisions	VERTESI, Robert
10:15	[80] Probing partonic collectivity in pp and p—Pb collisions with ALICE	WU, Wenya
10:30	[81] Prospects of angular correlation studies of identified hadrons in the LHC Run 3 with the ALICE experiment	CHOCHULSKA, Zuzanna Anna
