

Session Program

4-8 Dec 2023

Zimanyi Winter School

Effective theories

Friday 8 December

14:00

Effective theories

Session | Location:

14:00–14:20

Analytic solutions of the complex diffusion equation

Speaker

Dr Imre Ferenc Barna

14:20–14:40

Mesons in medium modifications

Speaker

György Wolf

14:40–15:00

Schwinger mechanism for scalar fields

Speaker

Arthur Vereijken

15:50

15:00–15:20

Closing remarks, award presentation
