

## CTA status at IHEP

*Monday 18 March 2024 11:30 (15 minutes)*

The presentation will provide an overview of the status and progress of CTA at IHEP. Last year, we completed the data migration from CASTOR to CTA, added new CTA instances for JUNO, HEPS, and LHCb Tier1. We compiled CTA 5.8.10 on alma9 and have commenced performance testing. Additionally, CTA has been utilized on the new tape library and LTO9 tapes.
