

Session Program

8-14 Sept 2024

Diffraction and Low-x 2024

Diffraction in ep and eA

Hotel Tonnara Trabia, Palermo, Sicily
Trabia (Palermo)

Friday 13 September

09:00

Diffraction in ep and eA

Session | **Location:** Hotel Tonnara Trabia, Palermo, Sicily, Trabia (Palermo)

09:00–09:20

Multistrange Hyperon Production on Nuclear Targets (127)

Speaker

Carlos Merino

09:20–09:40

Recent results from HERA experiments H1 and ZEUS (146)

Speaker

Mariusz Przybycien

09:40–10:00

Diffractive dijets at HERA and EIC using GTMDs (147)

Speaker

Antoni Szczurek

10:00–10:30

EPIC experiment at the Electron-Ion Collider (EIC): status and prospects for exclusive/diffractive physics (163)

Speaker

Alexander Jentsch

10:30
