

Session Program

8-14 Sept 2024

Diffraction and Low-x 2024

Hadronic final state II

Hotel Tonnara Trabia, Palermo, Sicily
Trabia (Palermo)

Friday 13 September

16:10

Hadronic final state II

Session | **Location:** Hotel Tonnara Trabia, Palermo, Sicily, Trabia (Palermo)

16:10–16:35

Vector boson production in association with jets ATLAS+CMS (including HF jets (189)

Speaker

Giovanni Padovano

16:35–16:55

Fragmentation of heavy quarks

Speaker

Boris Kopeliovich

16:55–17:15

Particle production in high multiplicity proton-proton collisions: a study of K_S^0 , isolated photons, and D^0 mesons (111)

Speaker

Dr Andre Veiga Giannini

17:15–17:35

Semihard Interactions at TeV energies (119)

Speaker

Thomas Ventura Iser

17:35–18:00

Discussion

18:00
