

# XVII Conference on Resistive Plate Chambers and Related Detectors

## Wednesday 11 September 2024

### Finger-food lunch & poster session (II) (13:40 - 15:45)

time	[id] title	presenter
13:40	[184] Investigating RPC Gas Flow and Ion Transport Using Computational Models	THIEL, Mauricio
14:00	[183] Quality assurance tests and techniques to investigate and increase hermetic sealing of ATLAS Phase II RPC detectors	SHAH, Aashaq
14:20	[182] Preliminary aging studies of improved RPC gaps operated with HFO based mixtures	KOFI, Zubayda Eve
14:40	[181] Gas gaps and chambers quality control of improved resistive plate chambers (iRPC)	ALI, Mohammad Ahammad
15:00	[180] iRPC FEB cooling system	KEMULARIA, Otari
15:20	[179] CMS RPC Link System fiber planning and qualification	CABRERA MORA, Andres Leonardo
