

Summer Student Session 2011

Student: Mikael Mieskolainen

Date and Time: Wednesday, 17th August from 10:45 – 11:00

Subject: “Probabilistic Classification of Diffractive Events”

Biography

Brief CV:

- ❖ Field of Study: Theoretical Signal Processing, Physics and Mathematics

- ❖ Education: Tampere University of Technology (M.Sc. Student)

- ❖ Project: Classification of diffractive events using modern pattern recognition
