

Summer Student Session 2011

Student: Suzanne Klaver

Date and Time: Tuesday, 16th August from 11:15 – 11:30

Subject: “Measurement of D meson mixing with semileptonic decays”

Biography

Brief CV:

- ❖ Field of Study: Particle Physics + Astrophysics

- ❖ Education:
- ❖ Bachelor in Liberal Arts & Sciences at the Roosevelt Academy in Middelburg, the Netherlands
- ❖ Master at the University of Amsterdam, the Netherlands

- ❖ Project:
- ❖ Measuring D meson mixing with semileptonic decays at LHCb
