UNCE 2024-2029

Center for Particle Physics and Cosmology (CPPC), project no. 24/SCI/016
UNCE 2024-2029

Center for Particle Physics and Cosmology (CPPC), project no. 24/SCI/016

- 1 out of 4 Research centers awarded to FMP CU (out of 20), the only one in physics
- joint project of the IPNP and the Institute of Theoretical Physics (10th floor)
- focus on standing problems in particle and nuclear physics & cosmology

Budget structure:
- personal costs - salaries (with 50% max in case of seniors), stipends
- material costs (first 3 years, up to 20% of the 3 years’ total)
- overheads
- catch 1: effectively only 40% of the 7 MKč /year represent total budget increase
- catch 2: funding shared among IPNP and ITP (60% : 40%)
