

## **Summer Student Session 2011**

**Student:** Yuko Sekiguchi

**Date and Time:** Thursday, 18<sup>th</sup> August from 11:30 – 11:45

**Subject:** “The ATLAS muon chamber R&D on MicroMeGas”

### **Biography**

**Brief CV:**

**2011 Graduated Department of Physics, Sophia University**

**2011 Department of Physics, Graduate School of Science, University of Tokyo**

❖ Field of Study:

High-energy nuclear physics

❖ Education:

Department of Physics, graduate school of science, University of Tokyo

❖ Project

I would like to do some activity related to the ALICE experiment in the future
