Happy new year!

YEARS / ANS **CERN**

Meeting summaries

The co-chairs try to take notes for the meetings, but sometimes we are busy running the meeting the notes can possibly be lacking (**in fact they are!**):

https://twiki.cern.ch/twiki/bin/view/LCG/WLCGGDBDocs

- if **you take notes, please share them with us**, so we can merge the information and make the summaries more complete

- We **record** the sessions ●LIVE as we integrate the videos into the agenda as well

  → All of the video uploads are up-to-date
