**Das Österreichische LehrerInnenprogramm findet vom 27. November – 1. Dezember 2024 statt.**

Das Programm beinhaltet neben Fachvorträgen, Diskussionen, Frage-Antwort-Sessions und Workshops natürlich auch ausgiebige Besichtigungen der CERN Einrichtungen. Auf dieser Seite werden während des Programms auch alle Vorträge und Materialien zugänglich gemacht, um diese nach dem Programm weiterverwenden zu können.

The **Austrian Teacher Programme 2024** will take place from 27 November to 1 December 2024. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back to Austria as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists...
