

Joint 20th International Workshop on Hadron Structure and Spectroscopy and 5th workshop on Correlations in Partonic and Hadronic Interactions

Monday 30 September 2024

Morning plenary: Session 1 - "Pomegranate" hall (09:00 - 11:00)

time	[id] title	presenter
09:00	[63] TMD effects in polarized processes: COMPASS selected highlights	Dr PARSAMYAN, Bakur
09:30	[38] Highlights from the RHIC Cold QCD Program	EYSER, Oleg
10:00	[60] Current Status of TMD Measurements at CLAS12	HAYWARD, Timothy Barton
10:30	[18] Hadronization in e+e- annihilation	SCHNELL, Gunar

Morning plenary: Session 2 - "Pomegranate" hall (11:30 - 13:00)

time	[id] title	presenter
11:30	[48] GPD measurements at JLab: overview	NICCOLAI, Silvia
12:00	[61] GPDs study at COMPASS	D'HOSE, Nicole
12:30	[37] Insights from the SpinQuest (E1039) Experiment at Fermilab	CALERO DIAZ, Liliet
