

LISA conference

Tuesday 3 September 2024

Session 5: ESR Presentation WP5 - Exploring the limits of nuclear existence - 40/S2-C01 - Salle Curie (09:00 - 10:45)

-Conveners: Iain Moore

time	[id] title	presenter
09:00	[15] Fundamental nuclear Physics	CUBISS, James
09:45	[6] Production and study of actinides at IGISOL via decay spectroscopy and laser spectroscopy techniques within the LISA framework	RAGGIO, andrea
10:15	[13] The quest for laser spectroscopy of the heaviest actinide elements	WARBINEK, Jessica
