

Session Program

19-23 Feb 2024

2024 CAU-PNU Beyond the Standard Model Workshop

Neutrino / Dark Matter

Chung-Ang University, Centennial 310-B502
Chung-Ang University, Seoul, Republic of Korea.

Friday 23 February

14:00

Neutrino / Dark Matter

Session | **Location:** Chung-Ang University, Centennial 310-B502, Chung-Ang University, Seoul, Republic of Korea.

14:00–14:30

Uncovering Secret Neutrino Interactions at Tau Neutrino Experiments

Speaker

Prof. Seodong Shin

14:30–14:50

Bounds to dark photon model from invisible and semi-invisible meson decays

Speaker

Alexey Zhevlakov

14:50–15:10

Searching for Heavy Leptophilic Z' at the Future Lepton Colliders

Speaker

Ms ROJALIN PADHAN

15:10
