## Session Program 19-23 Feb 2024

## 2024 CAU-PNU Beyond the Standard Model Workshop

## Neutrino / Dark Matter

Chung-Ang University, Centennial 310-B502 Chung-Ang University, Seoul, Republic of Korea.

## Friday 23 February

Neutrino / Dark Matter
Session | Location: Chung-Ang University, Centennial 310-B502, Chung-Ang University, Seoul, Republic of Korea.

14:00-14:30 Uncovering Secret Neutrino Interactions at Tau Neutrino Experiments
Speaker
Prof. Seodong Shin

14:30-14:50
Bounds to dark photon model from invisible and semi-invisible meson decays
Speaker
Alexey Zhevlakov

14:50-15:10 Searching for Heavy Leptophilic \$Z'\$ at the Future Lepton Colliders
Speaker
Ms ROJALIN PADHAN
