

# Triggering Discoveries in High Energy Physics III, High Tatras

## Friday 13 December 2024

### Talks of the participants (physics, trigger, electronics, detectors) (09:00 - 12:00)

time	[id] title	presenter
09:00	[36] Experiment SST-1M	ČECHVALA, Patrik
09:25	[37] ALICE hardware trigger in Run3	AHUJA, Ishaan
09:50	[38] ALICE3	
10:35	Coffee break	
10:50	[39] Update on high pt neutral meson production in heavy ion collisions at PHENIX	OROSZ, Melinda
11:15	[40] High pT Direct Photon Production as a Probe of Nuclear Modification to disentangle Centrality Bias in Small System Collisions	ZHANDONG, Sun
11:40	Closure
