(Resume from 12 June 06 meeting)

**Role:**

- Advisory body to SCC (=Standing Concertation Committee, for the formal relations between CERN Management and CERN Staff Association)

- Oversees all matters regarding to restaurants and cafeterias on CERN sites
Restaurant Supervisory Committee (CSR)

- Restaurant #1 reform will start in July:
  - Works will take 39 weeks (till March ‘07)
  - The set-up of the restaurant and services during the works will be made public in the Bulletin.
  - Fresh drinks and salads will be served in the terrace during summer as well as a grillade if the weather allows it.
  - Building 40 cafeteria will also serve salads and panini.

- problems in Restaurant #3 (Prevessin) due to people smoking do not longer exist.
  - Remember Restaurant #2 and #3 are strictly non-smoking
  - Restaurant #1 has a dedicated place for smokers.
Restaurant Supervisory Committee (CSR)

- Web page with daily info menu available for Restaurant #2 -DSR- (under on-site services)
  - Restaurant #1 under preparation
  - Restaurant #3 nothing done for the moment!

- Plan ongoing to control the vending machines on site…more news next meeting.
