

ECFA Report

CHIPP Plenary meeting, Leysin, 1-2/9/2011

- Restricted ECFA country visits
- Restricted and Plenary ECFA meetings
- Detector R&D and Neutrino review panels
- Joint ECFA-EPSC session during the EPSC-HEP in July 2011
- Miscellaneous

Tatsuya NAKADA, ECFA Chair

Ecole Polytechnique Fédérale de Lausanne (EPFL)

ECFA – European Committee for Future Accelerators

- Restricted ECFA country visits
- Restricted and Plenary ECFA meetings
- Detector R&D and Neutrino review panels
- Joint ECFA-EPSC session during the EPSC-HEP in July 2011
- Miscellaneous

ECFA – European Committee for Future Accelerators

- Finland: 8 October 2010
- Austria: 11 March 2011
- Slovakia: 27 May 2011
- Romania: 15 July 2011 first ECFA visit

ECFA – European Committee for Future Accelerators

- Restricted ECFA country visits
- Restricted and Plenary ECFA meetings
- Detector R&D and Neutrino review panels
- Joint ECFA-EPSC session during the EPSC-HEP in July 2011
- Miscellaneous

- **Restricted ECFA meetings**

- 9 October 2010, Helsinki
- 25 November 2010, CERN
- 12 March 2011, Vienna
- 8 May 2011, Kosice
- 16 July 2011, Bucharest

- **Plenary ECFA meetings**

- 25–26 November 2010, CERN
- 23 July 2011, Grenoble

- Plenary ECFA meetings
 - Member country midterm reviews
 - November 2010: France and Hungary
 - Following the various initiatives
 - Super B factories: INFN and KEK
 - Neutrino facilities: Neutrino panel
 - LHeC: toward CDR
 - Linear collider: ILC (TDR)&CLIC (CDR)
 - Tau-charm factories: Novosibirsk and Turkey
 - Report on their HEP organizations and activities from countries of other regions
 - China and Canada
 - NUPEC report

ECFA – European Committee for Future Accelerators

- Restricted ECFA country visits
- Restricted and Plenary ECFA meetings
- Detector R&D and Neutrino review panels
- Joint ECFA-EPSC session during the EPSC-HEP in July 2011
- Miscellaneous

- ECFA review panels for European Detector R&D
 - Review European detector R&D efforts for accelerator based particle physics projects without well defined host laboratory and AIDA midterm report
 - Chair: Yannis Karyotakis
 - Endorsement of panel members by Plenary ECFA in November and will start from 1.1.2012
 - DESY offer to be the host laboratory providing administrative support

- **ECFA Neutrino Panel**

- Review EURONu (PF7 project) midterm report and IDS-NF interim design report
- Francis Halsen (Chair) plus 6 panel members
- Review meeting took place 5–6 May in Daresbury
Thanks to STFC Daresbury Laboratory for administrative and financial support
- Preliminary conclusions reported at the ECFA–EPS joint session (23.7.2011)
- Final report for November Plenary ECFA meeting

ECFA – European Committee for Future Accelerators

- Restricted ECFA country visits
- Restricted and Plenary ECFA meetings
- Detector R&D and Neutrino review panels
- Joint ECFA-EPSC session during the EPSC-HEP in July 2011
- Miscellaneous

- A possible programme for the ECFA–EPS Joint Session during the Europhysics Conference on High Energy Physics in Grenoble, 23 July 2011
 - Established tradition in the afternoon of Saturday
 - Partly used as a Kick-off meeting for the European Strategy Update
 - Scope and work-plan for the strategy update
 - Theoretical overview
 - Overviews on accelerator and experiments at the high energy frontier, flavour and neutrinos
 - With long and very lively discussions

ECFA – European Committee for Future Accelerators

- Restricted ECFA country visits
- Restricted and Plenary ECFA meetings
- Detector R&D and Neutrino review panels
- ICFA meetings
- Joint ECFA-EPSC session during the EPSC-HEP in July 2011
- Miscellaneous

- **Coming meetings**

- RECFA country visits

- Spain, 7 October 2011
 - The Netherlands, 17 February 2012
 - Poland, 11 May 2012
 - Italy, 5 October 2012
 - plus possibly one of possible new associate countries

- Plenary ECFA meetings

- CERN, 24–25 November 2011
 - PSI, 19–20 July 2012
 - CERN, 22–23 November 2012

- Election of new Chair
 - Nomination by the Restricted meeting of ECFA
8 October
 - Endorsement by the Plenary ECFA session in
November
 - The new chair will start 1.1.2012
