

Annual Meeting Agenda

M. Casarsa & D. Lucchesi

	Tuesday 12.03.2024	Wednesday 13.03.2024			
8:30	MuCol MDI Workshop	6/2-024 (120 pp) Proton Driver (parallel)	6/R-012 (30 pp) Physics and Detectors (parallel) Detector-physics	30/7-018 (190 pp) Magnet - schedule (parallel)	30/7-010 (30 pp) RF (parallel)
10:00		Break			
10:30	MuCol MDI Workshop	Target and absorbers (joint with BMI and vacuum)	Physics and Detectors (parallel)-New studies and proposals	Magnet - R&D plans (parallel)	RF (parallel)
		(Lunch)			
12:30	Opening Plenaries - block 1	Accelerators (parallel)	Physics and Detectors (parallel) Magnet	Target decay and capture (joint with magnets, BMI, cryogenics, vacuum)	
14:00					
	Break	Break			
15:30	Opening Plenaries - block 2	Collider (parallel)	Physics and Detectors (parallel) Software	6D cooling (joint with magnets, RF, BMI, cryogenics, vacuum)	
16:00					
	Welcome reception				
	MuCol Governing Board	IMCC Steering Board			
17:00					
17:30		Dinner			
19:00					

Call for abstracts:
 - early career people
 - new ideas
 - starting project

Software
 - Andreetto, Bartosik &
 Meloni speakers

Thursday 14.03.2024					Friday 15.03.2024
8:30	6/2-024 (120 pp) Accelerators (joint with magnets, RF, BMI, cryogenics, vacuum)	6/R-012 (30 pp) Physics and Detectors (parallel) Wulzer?	30/7-018 (190 pp)	30/7-010 (30 pp) Muon production and cooling - optics (parallel)	Closing Plenaries - block 1
10:00	Break				Break
10:30	Collider (joint with magnets and BMI, cryogenics, vacuum)	Physics and Detectors (parallel) Wulzer?		Test facility and Demonstrator (joint with RF and magnets)	Closing Plenaries - block 2
12:30	(Lunch)				
14:00	Test Facility and Demonstrator (joint, including physics and detectors)			/	
15:30	Break				
16:00	Scheduling and staging (joint, including physics and detectors)			/	
17:00	Visits				
17:30			IMCC Collaboration Board
