

17<sup>th</sup> International Workshop on  
Top Quark Physics

September 22 to 27  
Saint-Malo, France

# Welcome to Top2024

## Saint-Malo, France

# We are glad to be back in France after 10 years

**7<sup>th</sup> International Workshop on Top Quark Physics**  
**top 2014**  
September 29 - October 3, 2014  
Cannes, France

**International Advisory Committee**

- Werner Bernreuther, RWTH
- Tancredi Carli, CERN
- Jorgen D'Hondt, VUB
- Ulrich Husemann, KIT (Chair)
- Andreas Jung, FNAL
- Fabio Maltoni, UCLouvain
- Michelangelo Mangano, CERN
- Andreas Meyer, DESY
- Antonio Onofre, LIP
- Grigori Perez, CERN
- Roberto Tenchini, INFN
- Scott Willenbrock, UIUC
- Jon Wilson, University of Michigan

**Local Organising Committee**

- Jeremy Andrea, IPHC
- Matteo Cacciari, LPTHE
- Roberto Chierici, IPNL
- Frédéric Déliot, CEA (Chair)
- Frédéric Derue, LPNHE
- Arnaud Lucotte, LPSC
- Dominique Pallin, LPC
- Mossadek Talby, CPPM

Related topical workshop on top quark differential distributions  
26-28 September 2014, same location

**top 2024**  
17<sup>th</sup> International Workshop on  
Top Quark Physics

**International advisory committee**

- Neda-Alexandra Asbah, CERN
- Jorgen D'Hondt, University of Brussels
- Alexander Grohjean, Universität Hamburg
- Andreas Jung, Purdue University, Chair
- Saung J. Lee, Korea University
- Fabio Maltoni, UC Louvain
- Michelangelo Mangano, CERN
- Alexander Mitov, Cambridge University
- Antonio Onofre, University of Minho/CF-UM-UP, LIP
- Enrique Pallcia, University of Oviedo
- Raimund Schwienhorst, Michigan State University
- Roberto Tenchini, INFN Pisa
- Wolfgang Wagner, University of Wuppertal
- Margorzata Worek, RWTH Aachen University

**Local organizing committee**

- Jeremy Andrea, IPHC Strasbourg
- Stéphane Beaucour, LPNHE Paris
- Samiul Calcut, LPCA Clermont
- Nicolas Charon, IP2I Lyon
- Frédéric Déliot, CEA, Senior Chair
- Frédéric Derue, LPNHE Paris
- Benjamin Fuks, LPTHE Paris

September 22 to 27  
Saint-Malo, France

# Organisers

- Organised by all French labs involved in top physics:
  - Experimentalists (ATLAS and CMS) + theorists (CNRS, CEA and French Universities)
  - CEA-Saclay, IP2I Lyon, IPHC Strasbourg, LPC Clermont-Ferrand, LPNHE Paris, LPTHE Paris

Jérémy Andrea (IPHC)

Samuel Calvet (LPC)

Frédéric Derue (LPNHE)

Benjamin Fuks (LPTHE)

Stéphanie Beauceron (LPNHE)

Nicolas Chanon (IP2I)

Frédéric Déliot (CEA-Saclay)

Isabelle Cossin (LPNHE)

# Logistics

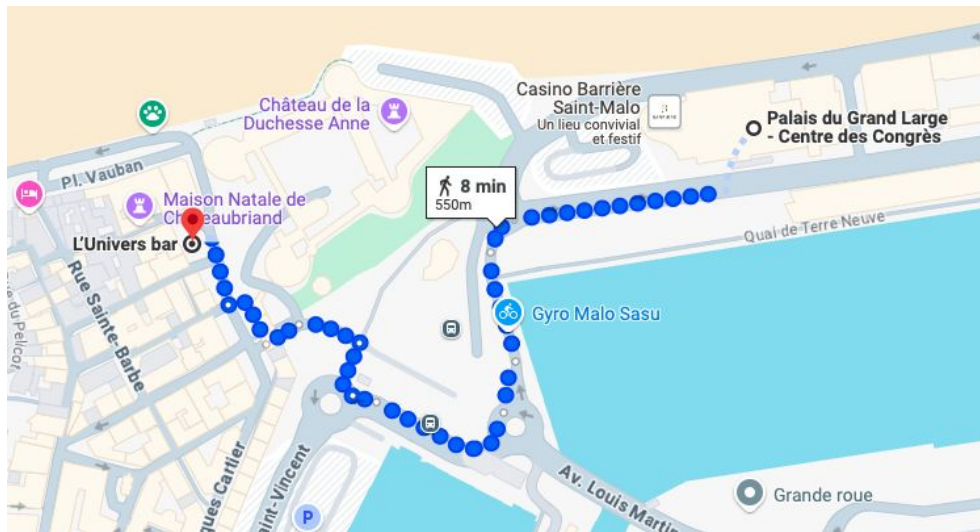

---

- Please show your registration badge to enter the congress place
- Wifi:
  - top2024, password: saintmalo24
  - alternative: PGL, password: saintmaloPlease connect only one of your devices at a time
- All sessions during the week:
  - in this room
- Coffee/tea breaks, lunches:
  - in the rotonde next door, lunch is provided just after the sessions
  - lunch box provided on Friday
- Poster session this evening at 7pm:
  - also in the rotonde
  - finger food provided
  - please install your poster during today's coffee breaks
- Group photo:
  - during the Tuesday morning break (if weather allows)

# Questions and Answers sessions for young researchers

- Tuesday evening and Thursday evening (9pm-10:30pm):
  - Informal conversations, follow-ups on the presented results
  - Students, young researches and speakers only
- Hotel l'Univers, 12 place Chateaubriand

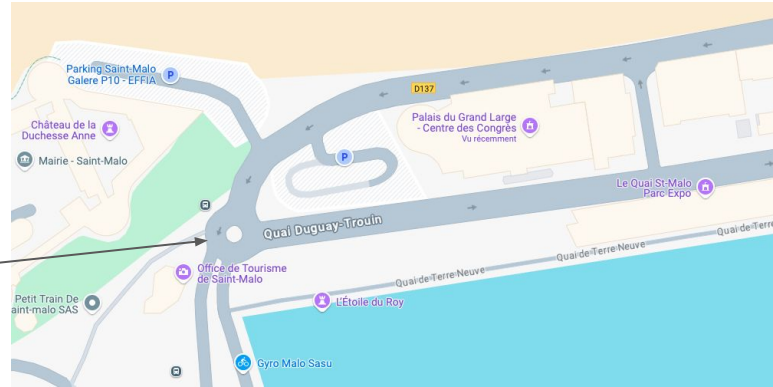

# Excursion on Wednesday afternoon

- **Mont St Michel**

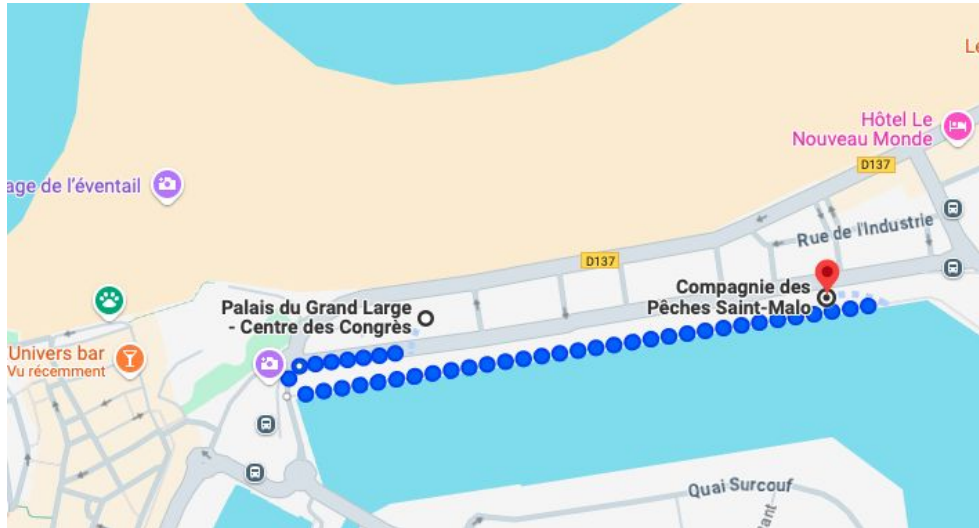

- 1h drive on bus
- departure at 1:15pm
- More information during the week

bus departure

# Conference dinner

- Wednesday evening (8pm):
  - Compagnie des Pêches Saint-Malo

17<sup>th</sup> International Workshop on  
Top Quark Physics

September 22 to 27  
Saint-Malo, France

# Enjoy the workshop !

(be aware of the tides if you walk along the coast)
