

# Top2024 Proceedings

---

- Proceedings aimed to be published on SciPost:
  - All speakers (including YSF and poster session presenters) should provide a write-up for the proceedings
  - Speakers should prepare their proceedings and submit them to the arXiv
    - SciPost guidelines should be followed (available from Indico)
    - Template available (soon™) from Indico
    - Detailed information on submission to SciPost soon available (from Indico)
  - All contributions will be screened for plagiarism (including self-plagiarism). If any material is reused for which the authors hold copyright or obtain a license, proper attribution is necessary.
  - Proceedings will be peer-reviewed according to Scipost standards
    - At least 1 referee (possibly 2)
    - Referral process handled by Jeremy Andrea (CMS), Benjamin Fuks (theory), Antonio Onofre (ATLAS) and Malgorzata Worek (theory)
    - Acceptance after a vote by the SciPost editorial college
  - Deadline for submission to the arxiv (and SciPost): 15 December 2024
