

17th International Workshop on Top Quark Physics (TOP2024)

Monday, 23 September 2024

Associated top production - Palais des congrès, Le Grand Large (16:30 - 18:00)

time	[id] title	presenter
16:30	[23] Complete NLO corrections to top-quark pair production with isolated photons	STREMMER, Daniel
17:00	[24] Photon production in top quark events at ATLAS and CMS	RIBEIRO LOPES, Beatriz
17:30	[25] Top quark production in association with vector bosons at ATLAS and CMS	VAN DER LINDEN, Jan
