

Session Program

30 November 2004

Mini Workshop on LHC Power Converters & Radiations

Experiences at CDF and D0 regarding problems with power supplies and power converter circuits Radiation damage and how resolved ?

CERN, 864/1-C02

Tuesday 30 November

16:00

16:30

Experiences at CDF and D0 regarding problems with power supplies and power converter circuits Radiation damage and how resolved ?

Session | **Location:** CERN, 864/1-C02
