The Romanian High-School Students Internship Programme 2024 (HSSIP – RO) takes place at CERN (Geneva, Switzerland) from 2 to 15 June 2024.

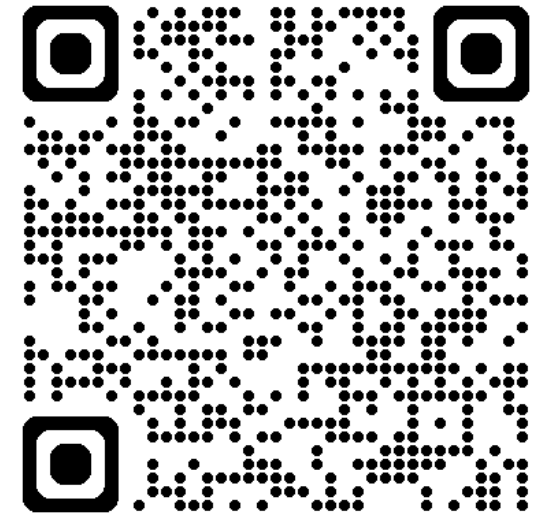

This programme is a unique opportunity for high-school students from Romania, as a CERN Member State to be introduced to CERN, its technologies and physics, as well as to learn through workshops and by shadowing, observing, and interacting with a member of personnel.

The Romanian Students Internship Programme will take place at [CERN](https://cern.ch) (Geneva, Switzerland). The programme brings together students, along with some of the best teachers and researchers in particle physics, to create an intensive two-week-long learning experience in an open and interactive environment. Students will also engage in group projects and will have the opportunity to present their experiences within the two weeks.

CERN access card

... has to be

- ❖ worn visibly all the time and
- ❖ returned at the end of your stay.

If you leave the CERN campus (e.g. for going to Geneva), take it with you as you will need it to enter again!

Hotel

- ❖ Please respect the **quiet hours** (22:00 to 07:00)
- ❖ If you need anything (e.g. access to the laundry room), ask directly at the **hotel reception**.
- ❖ You can use the kitchen and fridge
- ❖ **Check out** time is at 12:00

Lunch checks

Pre-paid card (“**lunch checks**”) to pay for your meals

- ❖ loaded with a fixed amount of money: **35 CHF per day** to pay for **breakfast, lunch, and dinner**
- ❖ has to be returned at the end of your stay
- ❖ *does not work at the vending machines and in the restaurant located in the Preveessin campus*

Restaurants

Restaurant 1, bldg 501, open 6-22

Breakfast	Lunch	Dinner
6:30-10:30	11:30-14:15	18:00-20:30

Restaurant 2,
building 504,
open 7-17

- Ask for allergens
- Return the salad bowl
- You have 40 CHF per day
- Scan your QR code

Water

Use **your new bottle**
for drinking water
(from tap or dispensers)

Wi-Fi

- ... is freely available at CERN
- ❖ Use your **CERN computing account credentials** to connect to the Wi-Fi network called “**CERN**”.
 - ❖ Please do not use the network “**CERN-Visitors**” (it would only be available for you for some days).

MapCERN

... is freely available online (<https://maps.web.cern.ch>)

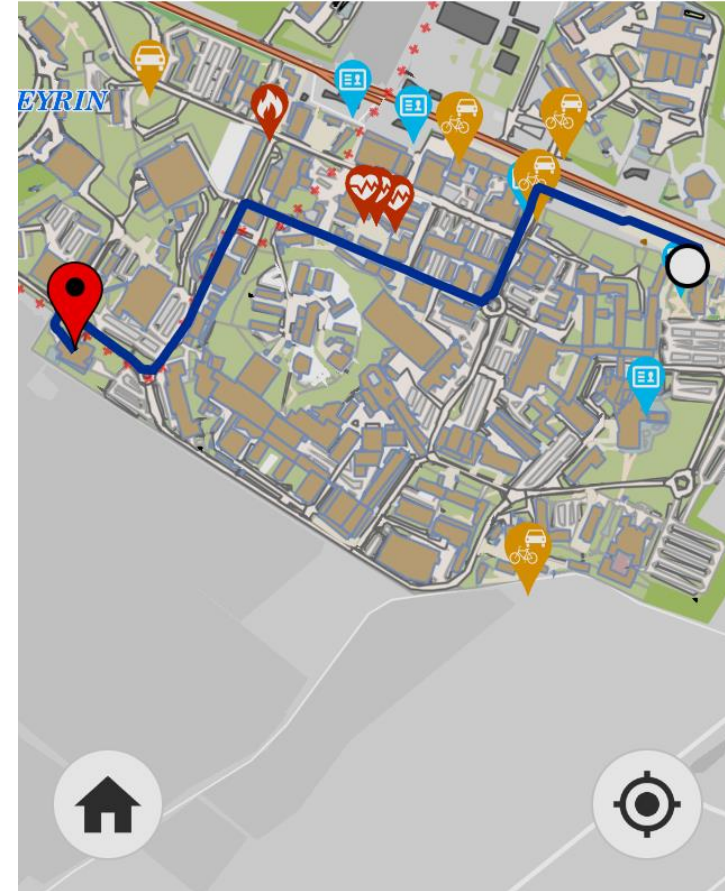

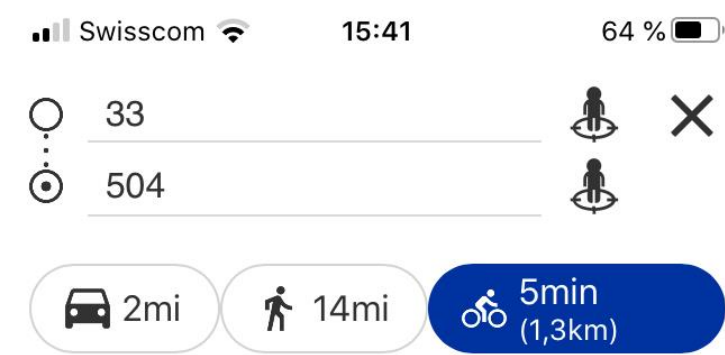

❖ Android:

<https://play.google.com/store/apps/details?id=ch.cern.mapcern&hl=en&gl=US>

❖ iOS:

<https://apps.apple.com/us/app/mapcern/id471256383?platform=iphone>

Safety on-site

There is a lot of **traffic** (trucks, buses, cars, bikes) at CERN and accidents happen regularly. Moreover, there are several **construction sites**.

Please be cautious and only walk on the dedicated pedestrian paths and crossings.

Safety & Health

Please let us know in case you have medical conditions (e.g. implant, pacemaker).

If you feel ill, please let your team coach and us know.

- How to enrol for a classroom course (1'24")
- How to enrol for a programme (1'40")
- How to withdraw from a classroom course (0'34")

General questions

- How do I change the language of the Learning Hub?
- How do I enrol for a classroom course ?
- Where can I find the courses for which I have enrolled?
- What happens if I click on the button "join waitlist"?
- What happens if I click on the button "indicate interest"?
- How do I withdraw/cancel/postpone my participation in a session?
- Do I still need to create an EDH training request?
- My enrolment has been denied, where can I find more information?
- Where can I find all the notifications sent by the Learning Hub?
- What is the knowledge centre?
- What does the learning type "programme" means?

Specific questions related to

- language training
- safety training

Safety courses are mandatory!

CERN Library	52/1-054	M-F 9:00-18:00

**We wish you a fantastic
stay at CERN! :)**

Dosimeters

- Wear it while you work (if required by your supervisor)
- They measure the dose you receive by exposure to ionising radiation
- Personal – not transferable!
- Required training: [Radiation protection – Supervised Area](#)
