

## **Ratification of Decisions made by Council on matters other than Membership and Units.**

The 33rd IUPAP General Assembly notes the decisions made by Council after the previous GA and approves them all. This implies approving the declaration of Principles and Policies for International Scientific Collaborations signed by IUPAP together with several other organizations (<https://iupap.org/wp-content/uploads/2024/03/Research-Principles-Policies-final-Feb-2024c.pdf>), the letter issued in support of the integrity of Argentina's science system ([https://iupap.org/wp-content/uploads/2024/03/Letter\\_IUPAP\\_Argentina\\_March-2024.pdf](https://iupap.org/wp-content/uploads/2024/03/Letter_IUPAP_Argentina_March-2024.pdf)) and the Resolution on Nominations solved electronically on the first week of March, 2024 ([https://indico.cern.ch/event/1369383/contributions/5764212/attachments/2885941/5129828/EC\\_1\\_Resolution\\_for\\_nominations.pdf](https://indico.cern.ch/event/1369383/contributions/5764212/attachments/2885941/5129828/EC_1_Resolution_for_nominations.pdf)). It also approves the decisions made with regard to the International Science Council, particularly, the approval of the ISC new Statutes and Rules of Procedure, [https://council.science/wp-content/uploads/2024/03/ISC\\_Statutes\\_RulesProcedure\\_8march2024.pdf](https://council.science/wp-content/uploads/2024/03/ISC_Statutes_RulesProcedure_8march2024.pdf)
