

## **1. Membership and Units**

### **1.1 Ratification of the Decisions of Council regarding Membership**

#### **11 October 2023**

##### **South Africa to increase its membership category**

Council approves the request from South Africa to change the category of its membership from Category 3 to Category 5 subject to ratification by the 33rd General Assembly. This increase takes effect in 2024. On ratification, it gives South Africa 3 votes at the General Assembly.

#### **23 November 2023**

##### **Reinstatement of Nigeria as Category 1 Territorial Member of IUPAP**

Council approves the proposal submitted by Nithaya Chetty, Vice President at Large for Membership, to reinstate Nigeria as Category 1 Territorial Member of IUPAP and the corresponding MOU established between IUPAP and the Nigerian Institute of Physics as the adhering body to the Union.

#### **22nd March 2024**

##### **Jordan to resume membership in IUPAP as Category 1 Territorial Member**

Council approves the MOU established between the Jordan Atomic Energy Commission and IUPAP signed by the Chairman of the said Commission and IUPAP's President, Michel Spiro, in view of which Jordan resumes its membership in IUPAP as Category 1 Territorial Member with the said Commission as its Liaison Committee.

**The 33rd General Assembly RESOLVES to ratify these decisions of Council with immediate effect, so that these members may exercise the votes appropriate for their increased category at the reminder of this General Assembly.**

#### **1.2 Admission of new members**

As per MoU between [CAEN](#) and IUPAP, signed 22 February 2024, the 33rd General Assembly resolves to accept CAEN as Corporate Associate Member of the Union holding 1 unit.
