

# COMETA workshop on vector-boson polarisations

## Monday 23 September 2024

**Session: Theory & Experimental Modelling Strategies - Amphi 2 (14:00 - 17:30)**

time	[id] title	presenter
14:00	[13] Polarised calculations with MulBos	LE, Duc Ninh
14:30	[10] Polarised calculations with BBMC (and MoCaNLO)	HAITZ, Christoph
15:00	[18] Polarised calculations with STRIPPER	PONCELET, Rene
15:30	Coffee break	
16:00	[9] Polarised calculations with SHERPA	HOPPE, Diana Mareen
16:30	[11] Polarised calculations with POWHEG-BOX	LINDER, Jakob
17:00	[12] Polarization as a Feynman Rule	RUIZ, Richard
