## How do I see IdeaSquare in 2024 and 2025?

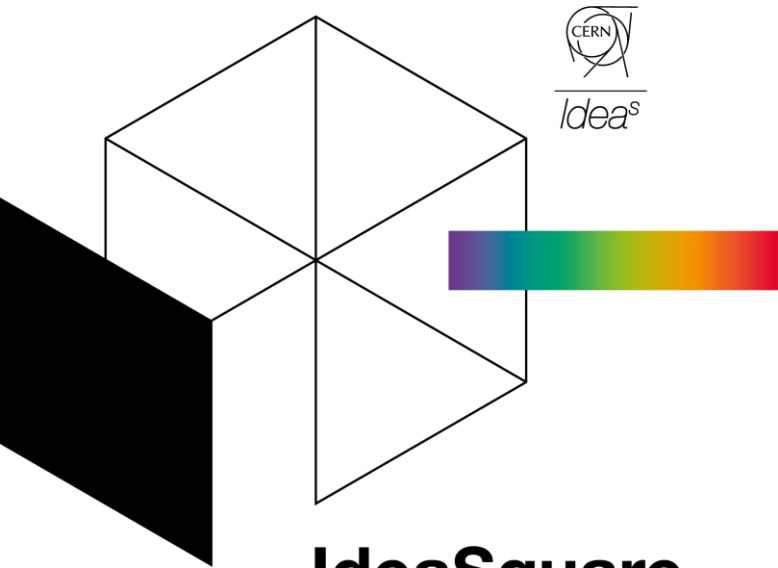

- **IdeaSquare is at a turning point (we need to find more options to get money). We are experimenting the new organisation since Markus left.**
- **2024 is still ok financially but is a decisional year for the coming years**
- **2025 will be more relax is we get the projects founded**

## How do I see myself growing at IdeaSquare (wishes, dreams, goals, etc)?

- I am really happy to be involved in the financials of IdeaSquare
- I would like to organise more "team" days
- I would like to run/organise more executive programmes and be more involved in the decision making.
- I don't want to be only the "admin" person

## How do I plan to achieve it?

- **Work closely with Roy**
- **Organise 2 days min per year for the team**
- **Think and build customised programmes**

## What concrete support would I need?

- **No more personal**
- **More budget for team days**

Any questions?
