

# Industry Workshop on Cryogenics in Big Science

## Tuesday, 16 April 2024

### III Session: Technological Developments for Particle Physics Detectors - Salle des fêtes - Auditorium (16:50 - 17:50)

time	[id] title	presenter
16:50	[37] Large size noble liquid detectors: dune and protodune	FABRE, Caroline
17:10	[38] Cryogenics for the Einstein Telescope	Dr GROHMANN, Steffen
17:30	[39] Sub and super-critical Krypton cooling for solid state detector applications below -60°C	VERLAAT, Bart
