CERN@DESY public event

📅 18 September 2024

📍 DESY

Overview	Timetable	Speakers	Registration	Getting to DESY	Privacy policy

Have you ever heard of CERN and wondered what the researchers are working on? Or would you like to know more about career opportunities at one of the world's largest research centres?

Join us at the **CERN@DESY public event** on **18 September** to listen to expert presentations on what CERN is doing in general, the computing challenges CERN faces and what opportunities CERN offers for students and early stage professionals.

This public event is part of the CERN School of Computing 2024 which is hosted at DESY. After the presentations, you are cordially invited to stay for a networking reception to continue the discussion and meet the speakers and the students of the CERN School of Computing coming from 32 countries.

Registration for in-person presence is now full. You can still register if you want to participate remotely via Zoom.

This event will also be available via Zoom (link will be provided soon).

19:00	**CERN, Computing and talent aquisition -** Barbara Binder (CERN) Heather Gray (UC Berkeley/LBNL) Beate Heinemann (DESY and University of Freiburg (Germany))
20:30	**Networking dinner at DESY**
