

Thematic CERN School of Computing on Heterogeneous Architectures

Wednesday, 12 June 2024

Student Lightning talks: The Art of Code: Pharo - Room m25/26 (12:30 - 12:40)

-Conveners: Jovan Kupusović

Student Lightning talks: MC-Run: Scalable MC Event Generation and Analysis - Room m25/26 (12:40 - 12:50)

-Conveners: Cedric Verstege

Student Lightning talks: Data Processing and Compression on FPGAs - Room m25/26 (12:50 - 13:00)

-Conveners: Peter Hinderberger

Student Lightning talks: AdePT - accelerating GEANT4 applications on GPUs - Room m25/26 (13:00 - 13:10)

-Conveners: Severin Diederichs

Student Lightning talks: Precision physics in current and future collider experiments - Room m25/26 (13:10 - 13:20)

-Conveners: Giacomo Da Molin
