

XSCRC2024: Cross sections for Cosmic Rays @ CERN

Wednesday 16 October 2024

Introduction and motivation: astrophysics and dark matter - 4/3-006 - TH Conference Room (14:15 - 15:15)

-Conveners: David Alain Maurin

time	[id]	title	presenter
14:15	[16]	Galactic Cosmic Ray transport and XS [20'+10']	Dr EVOLI, Carmelo
14:45	[13]	Relevance of cross sections for indirect dark matter detection [20'+10']	DI MAURO, Mattia
