

University of Houston  
Dept of Physics Research Day  
Saturday Feb 24, 2024

The Department of Physics at UH invites you to join us for an outreach event, highlighting what physics is, what physicists do, and the cutting-edge research that is being done at UH.

**Agenda:**

- 9:00am: Arrive at 101 Farish Hall
- 9:30am-10:30am: Presentations about physics concepts and careers, and how to apply for and succeed in STEM majors at UH (intended for High School students)
- 10:30am-12:30pm: HS students have guided tours of research labs in the department.
- 12:30pm-1:00pm: Lunch provided in 101 Farish Hall, where some fun physics demos presented during the meal
- 1:00pm-3:30pm: Poster presentations and parallel talk sessions for UH grad students.
- 3:30-4:30pm: Panel discussion of industrial careers in physics (from Samsung and Cantor Colburn LLP).
- 5:00pm: presentation of best poster/talk awards

If your students (or you individually) are interested in joining for the UH Physics Research Day, please complete the form [HERE](#), or scan the QR code to the right.

Please email Dr Timmins ([artimmin@central.uh.edu](mailto:artimmin@central.uh.edu)) or Dr Morrison ([gcmorrison@uh.edu](mailto:gcmorrison@uh.edu)) if you have any questions.

The event will be at Farish Hall room 101:
