Workshop on workflow languages for HEP analysis Day 3

Matthew Feickert, Jamie Gooding, Lukas Heinrich, Clemens Lange

April 5th, 2024

Focus of today

Yesterday: actual experience with use of workflows in HEP → reality check

Today: **Services and scaling and where to go from here**

- REANA
- IRIS-HEP AGC with Snakemake on REANA

Afternoon:

- Discuss what we should write following the workshop
- Ideas for follow up
    - GitHub repo with specific profiles
    - Staying in contact (IRIS-HEP Slack, email)

Live notes
