Safety information

In case of emergency, call me any time 090-7849-0878 (Ryu Sawada)

- Earthquake
 - Don't panic, buildings in Japan have very high tolerance on earth quake by regulation.
 - But, anything could fall off from above. Protect yourself from falling objects, away from large window.
- Evacuation, in case of really big one,
 - If you are here: go out from the hall and this building, and get together to the are in front of the Yasuda auditorium.
 - If you are outside: You can come to the University, or Ueno park, it is one of evacuation areas (it is safe). If you are away, find a nearby evacuation shelter/area ([Bunkyo ward](#), [Taito ward](#))
