

Conférence de Pentecôte/PinseKonferanse og Fjellshalfmaraton - Time and Particles in Flight

Saturday 11 June 2011 - Sunday 12 June 2011

CERN and La Rippe

Scientific Programme

Meeting at CERN visitor Centre, Entrance B, followed by a scientific programme, and optional visits to ATLAS visitor centre and GLOBE interactive science museum. Followed by a dinner in La Rippe, and possibly hike to La Dole the next day. See timetable for details. The dinner is the least flexible part of the programme, other details might change. You can add your own contribution is contributed talks session.
