Shuttle return: 16:30 at CERN Hotel / R1

Your guides for this afternoon

Group 1

Borja

Group 2

Michael

Group 3

Anton

Please stick to us, and and if you have any problems or need to leave early, let us know! 😊

Visit restrictions

Antiproton Decelerator hall

P.S.A. Access restrictions apply to AD visits
AD hall is a supervised area

Please let us know if you cannot attend this part of the visit!

Gathering point for visits after lunch

And important points

- Meet outside the CERN hotel shuttle stop
 - › Shuttles depart at 13:15!
 - › Lunchers will be brought from R1 to shuttle stop
- Each visit group is capped to 24 people
 - › Choose the visit you want to attend / fits your departure schedule
- Important points
 - › Please stick to the group
 - › You can take as many photos as you want, but avoid photos containing peoples faces as much as possible
 - › Don't touch anything you don't know 😊
