

Session Program

9-13 Sept 2024

Annual Meeting of the Swiss Physical Society 2024

Energy and Sustainability

ETH Zürich
Gebäude ETA/ETF/ETZ Gloriastr. 35, 8092 Zürich

Friday 13 September

09:00

Energy and Sustainability

Session | Location: ETA F 5

09:00–09:30

【31】 The Future of the Electrical Energy System: from Rotating Masses to Power Electronic

Speaker

Prof. Gabriela Hug

09:30–10:00

【32】 The Swiss Energy Transition to NetZero

Speaker

Prof. Thomas Justus Schmidt

10:00–10:30

【33】 From Materials to Devices: The importance of physics in material science & technology for sustainable energy application

Speaker

Dr Lorenz Herrmann

10:30

11:00

Energy and Sustainability

Session | Location: ETA F 5

11:00–11:30

【34】 CERN's strategy for an environmentally responsible research

Speaker

Sonja Kleiner

11:30–12:00

【35】 A sustainable future in High-Energy physics

Speaker

Patrick Koppenburg

12:00–12:30

【36】 Panel Discussion

12:30
