

Session Program

17-21 Feb 2025

VCI2025 - The 17th Vienna Conference on Instrumentation

Plenary Electronics

Vienna University of Technology
Gusshausstraße 27-29, 1040 Wien

Tuesday 18 February

09:00

Plenary Electronics

Session | Location: E17 | Convener: Markus Friedl

09:00–09:45

Electronics Challenges for HL-LHC and Next-Generation Particle Detectors

Speaker

Francois Vasey

09:50–10:10

Results and perspectives of the IGNITE project on CMOS 28-nm technology ASICs

Speaker

Adriano Lai

10:15–10:35

4D Tracking Vertex Locator at the LHCb experiment.

Speaker

Efren Rodriguez Rodriguez

10:40
