CERN Safety Policy

THE CERN SAFETY POLICY

Each person [...] shall actively contribute to the implementation of the CERN Safety Policy through

- exemplary conduct and [...]
- compliance with CERN Safety Rules [...]
- actively seeking information to minimise risks,
- avoiding dangerous situations for herself/himself and [...]
- exercising the responsibilities assigned to her/him safely.

SOS / Safety Officers Support

Safety starts with us!

My contribution to Safety

Essential rules for my personal safety

I stop,
I think,
I act.

I don't know,
I don't touch.

I stay alert and
check my
surroundings.

I respect
access
restrictions.

*"Safety is our highest priority at CERN,
and the foundation on which our success is built."*
