

Session Program

24 April 2024

25th Gentner Day

Doctoral Student Presentations I

CERN, 40/S2-A01 - Salle Anderson

Wednesday 24 April

10:00

Doctoral Student Presentations I

Session | **Location:** CERN, 40/S2-A01 - Salle Anderson

10:00–10:15

Fully digital data acquisition system for β -NMR studies at ISOLDE

Speaker

Marcus Jankowski

10:20–10:35

The Einstein Telescope beampipe vacuum system. Exploring novel techniques and materials for a cost-effective design solution.

Speaker

Carlo Scarcia

10:40
