Monday July 29, 2024

An interactive symposium on frontiers of soft matter, DSMD is a collaboration between Duke University and the International Program Committee of ISMC 2024.

Statistics & Numbers

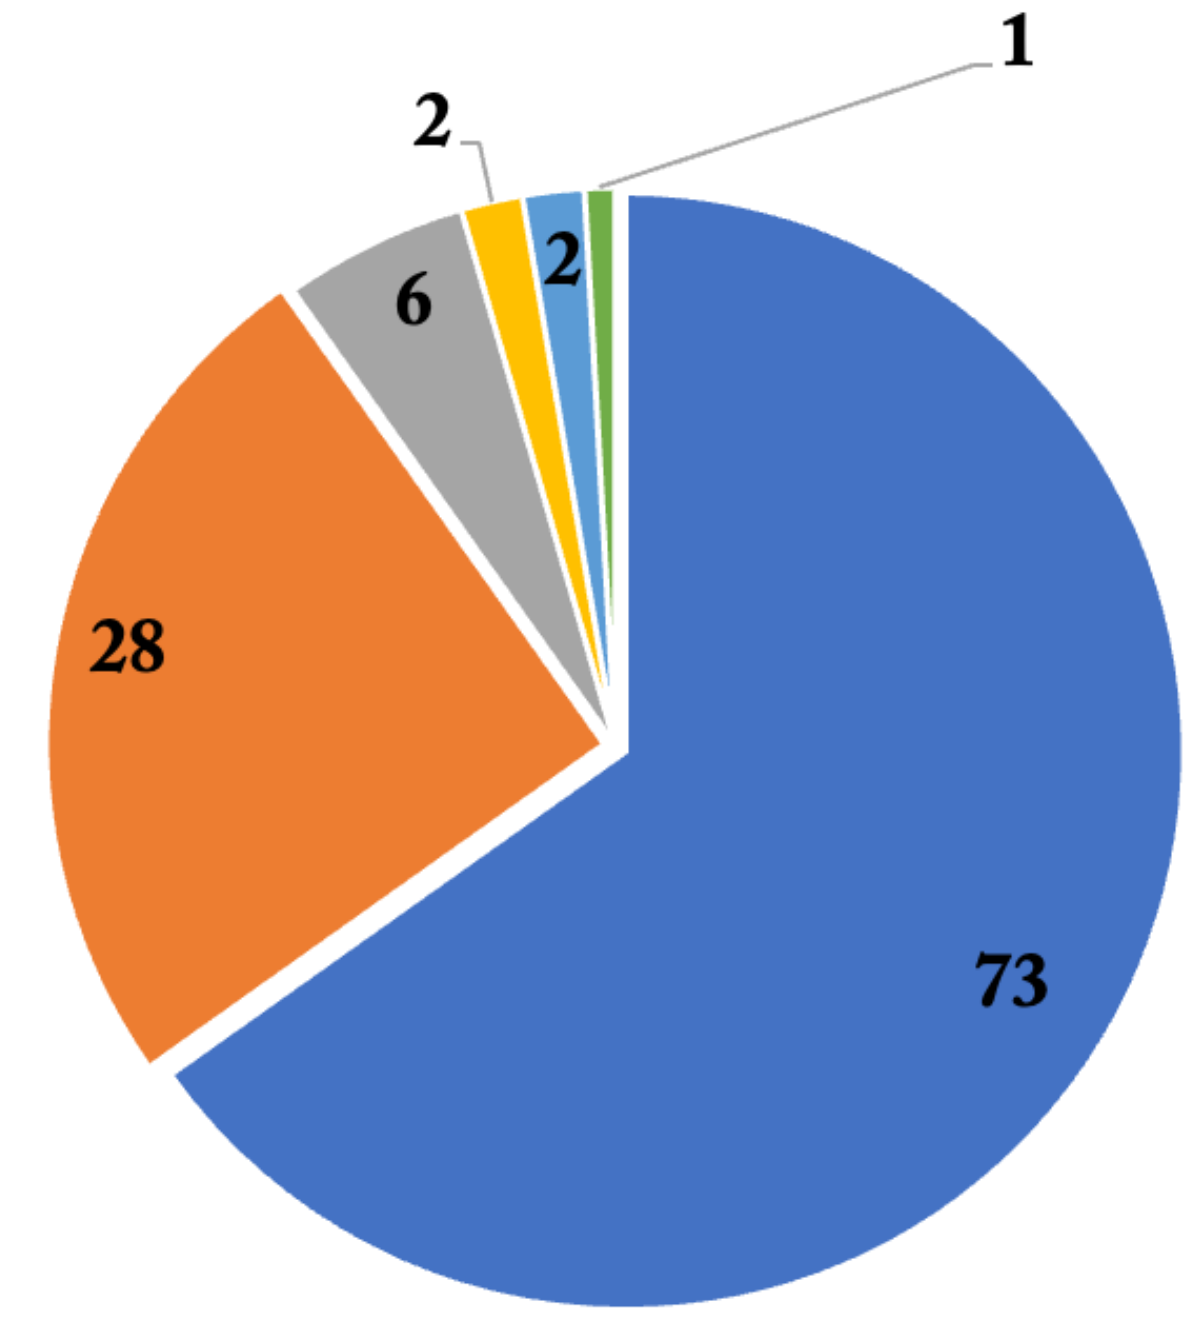

Overall Participation

■ US (Outside NC) ■ North Carolina ■ International

~ 320 participants

NC Universities

■ Duke ■ NCSU
■ UNC-Chapel Hill ■ UNC-Greensboro
■ Winston Salem State University ■ Interested Public

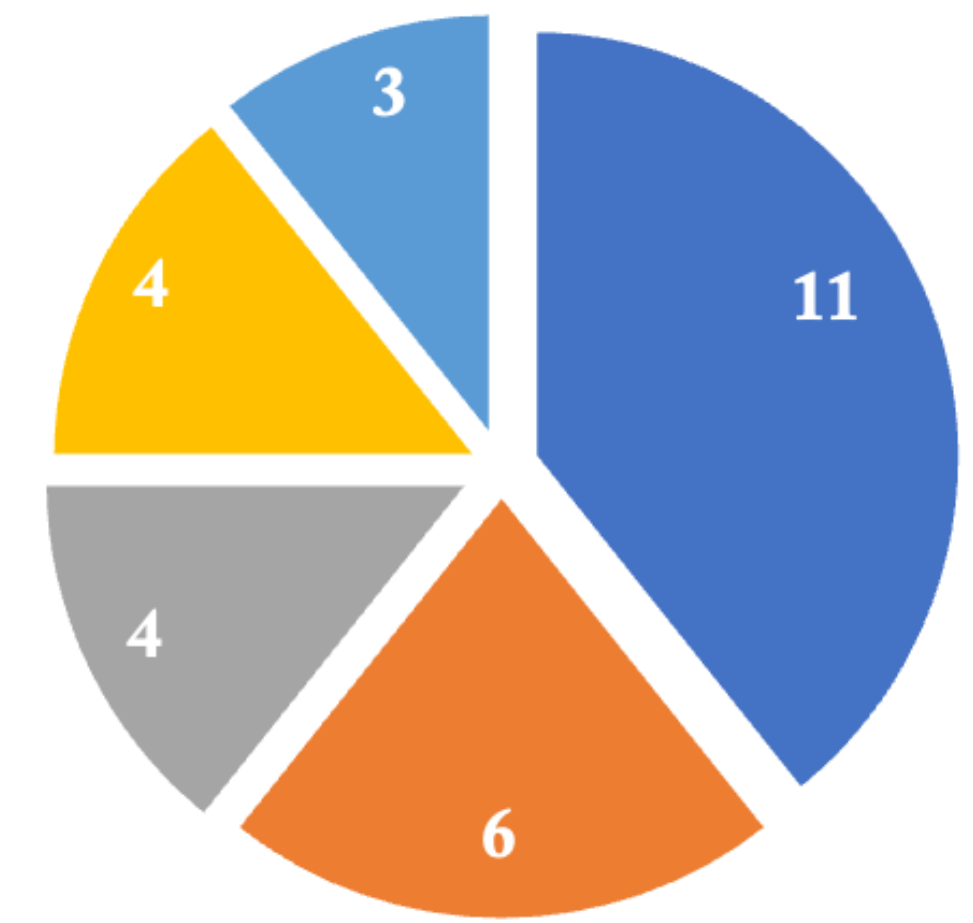

~ 110 NC participants

US Universities with Significant Attendance

- University of Virginia
- UPenn
- Georgia Tech
- Princeton
- MIT
- JHU
- Cornell
- UCSB
- Harvard
- University of Chicago

International Institutes with Significant Attendance

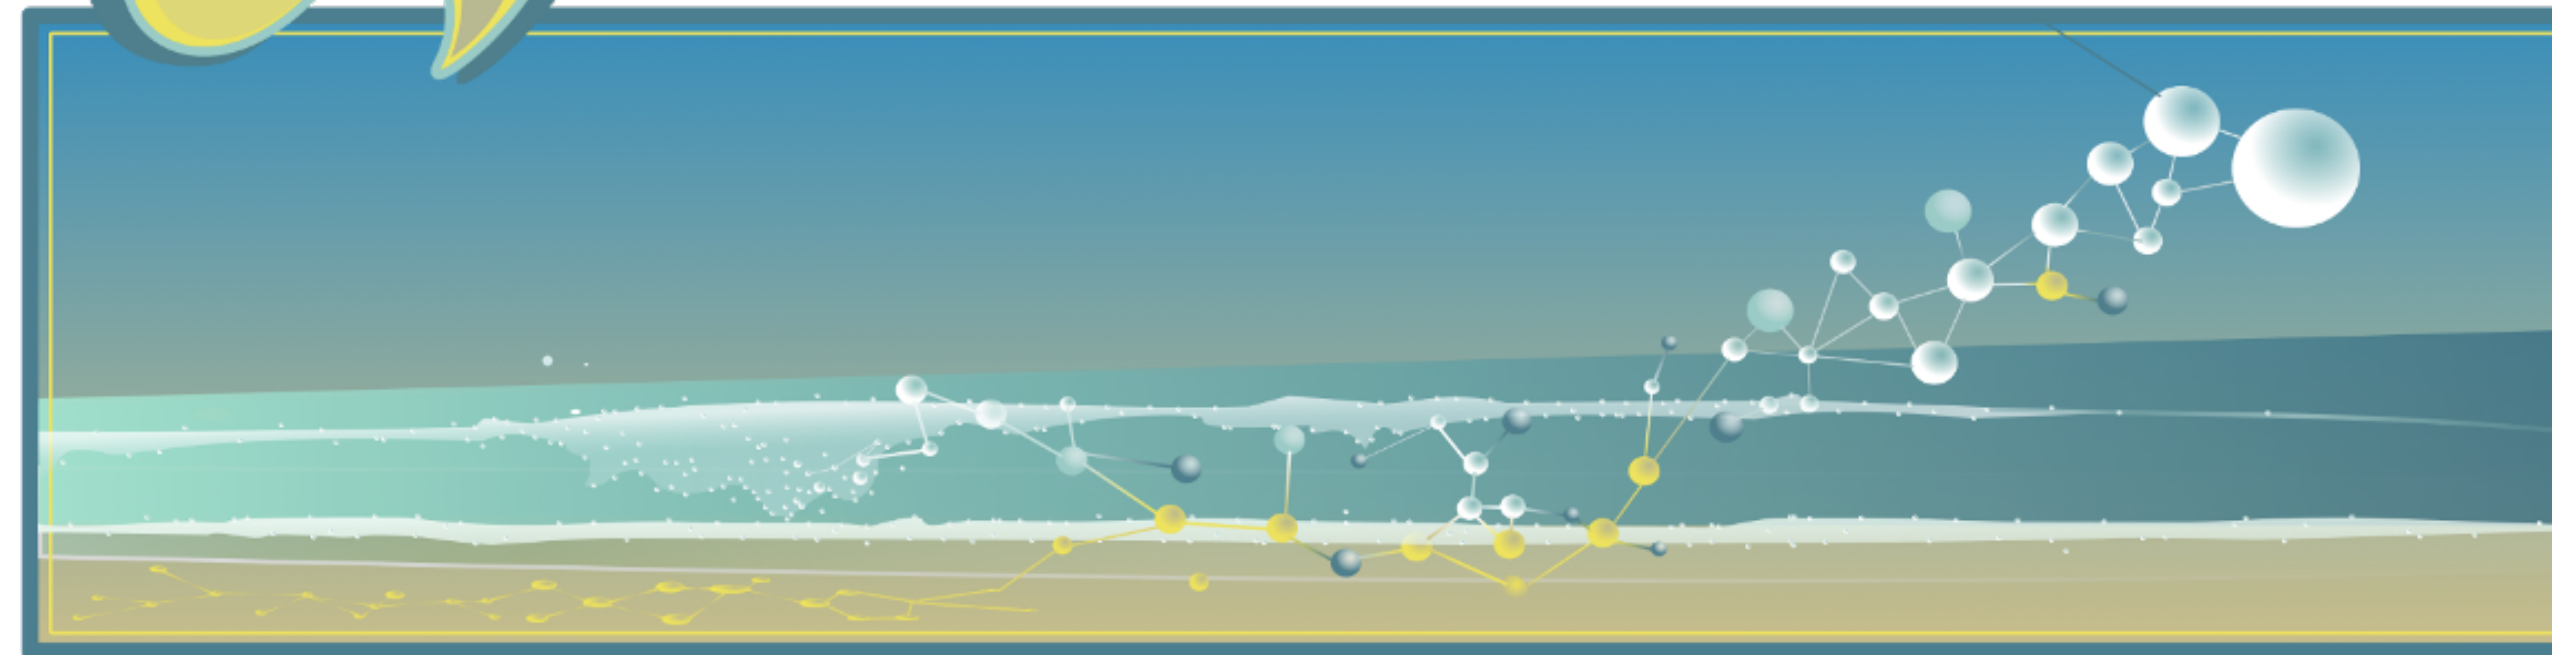

- IITs & Other Indian Institutes
- Weizmann Inst.
- Ben-Gurion
- University of Toronto
- Hokkaido University

Soft Matter Around the World in Three Years 

ISMC 2024

The 8th International Soft Matter Conference

Blurring Boundaries Between Fields

Connecting to reshape the future of soft matter

July 29 – August 2, 2024
Raleigh, North Carolina

Overall Distribution for the 416 Attendants of ISMC 2024

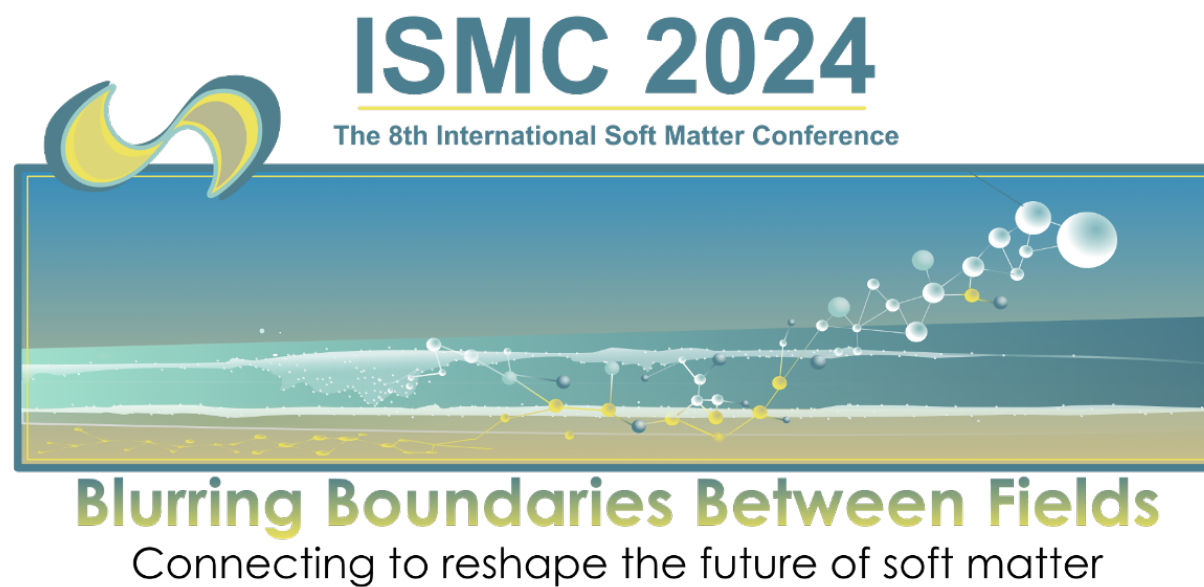

416 Participants:

203- from US institutes outside NC

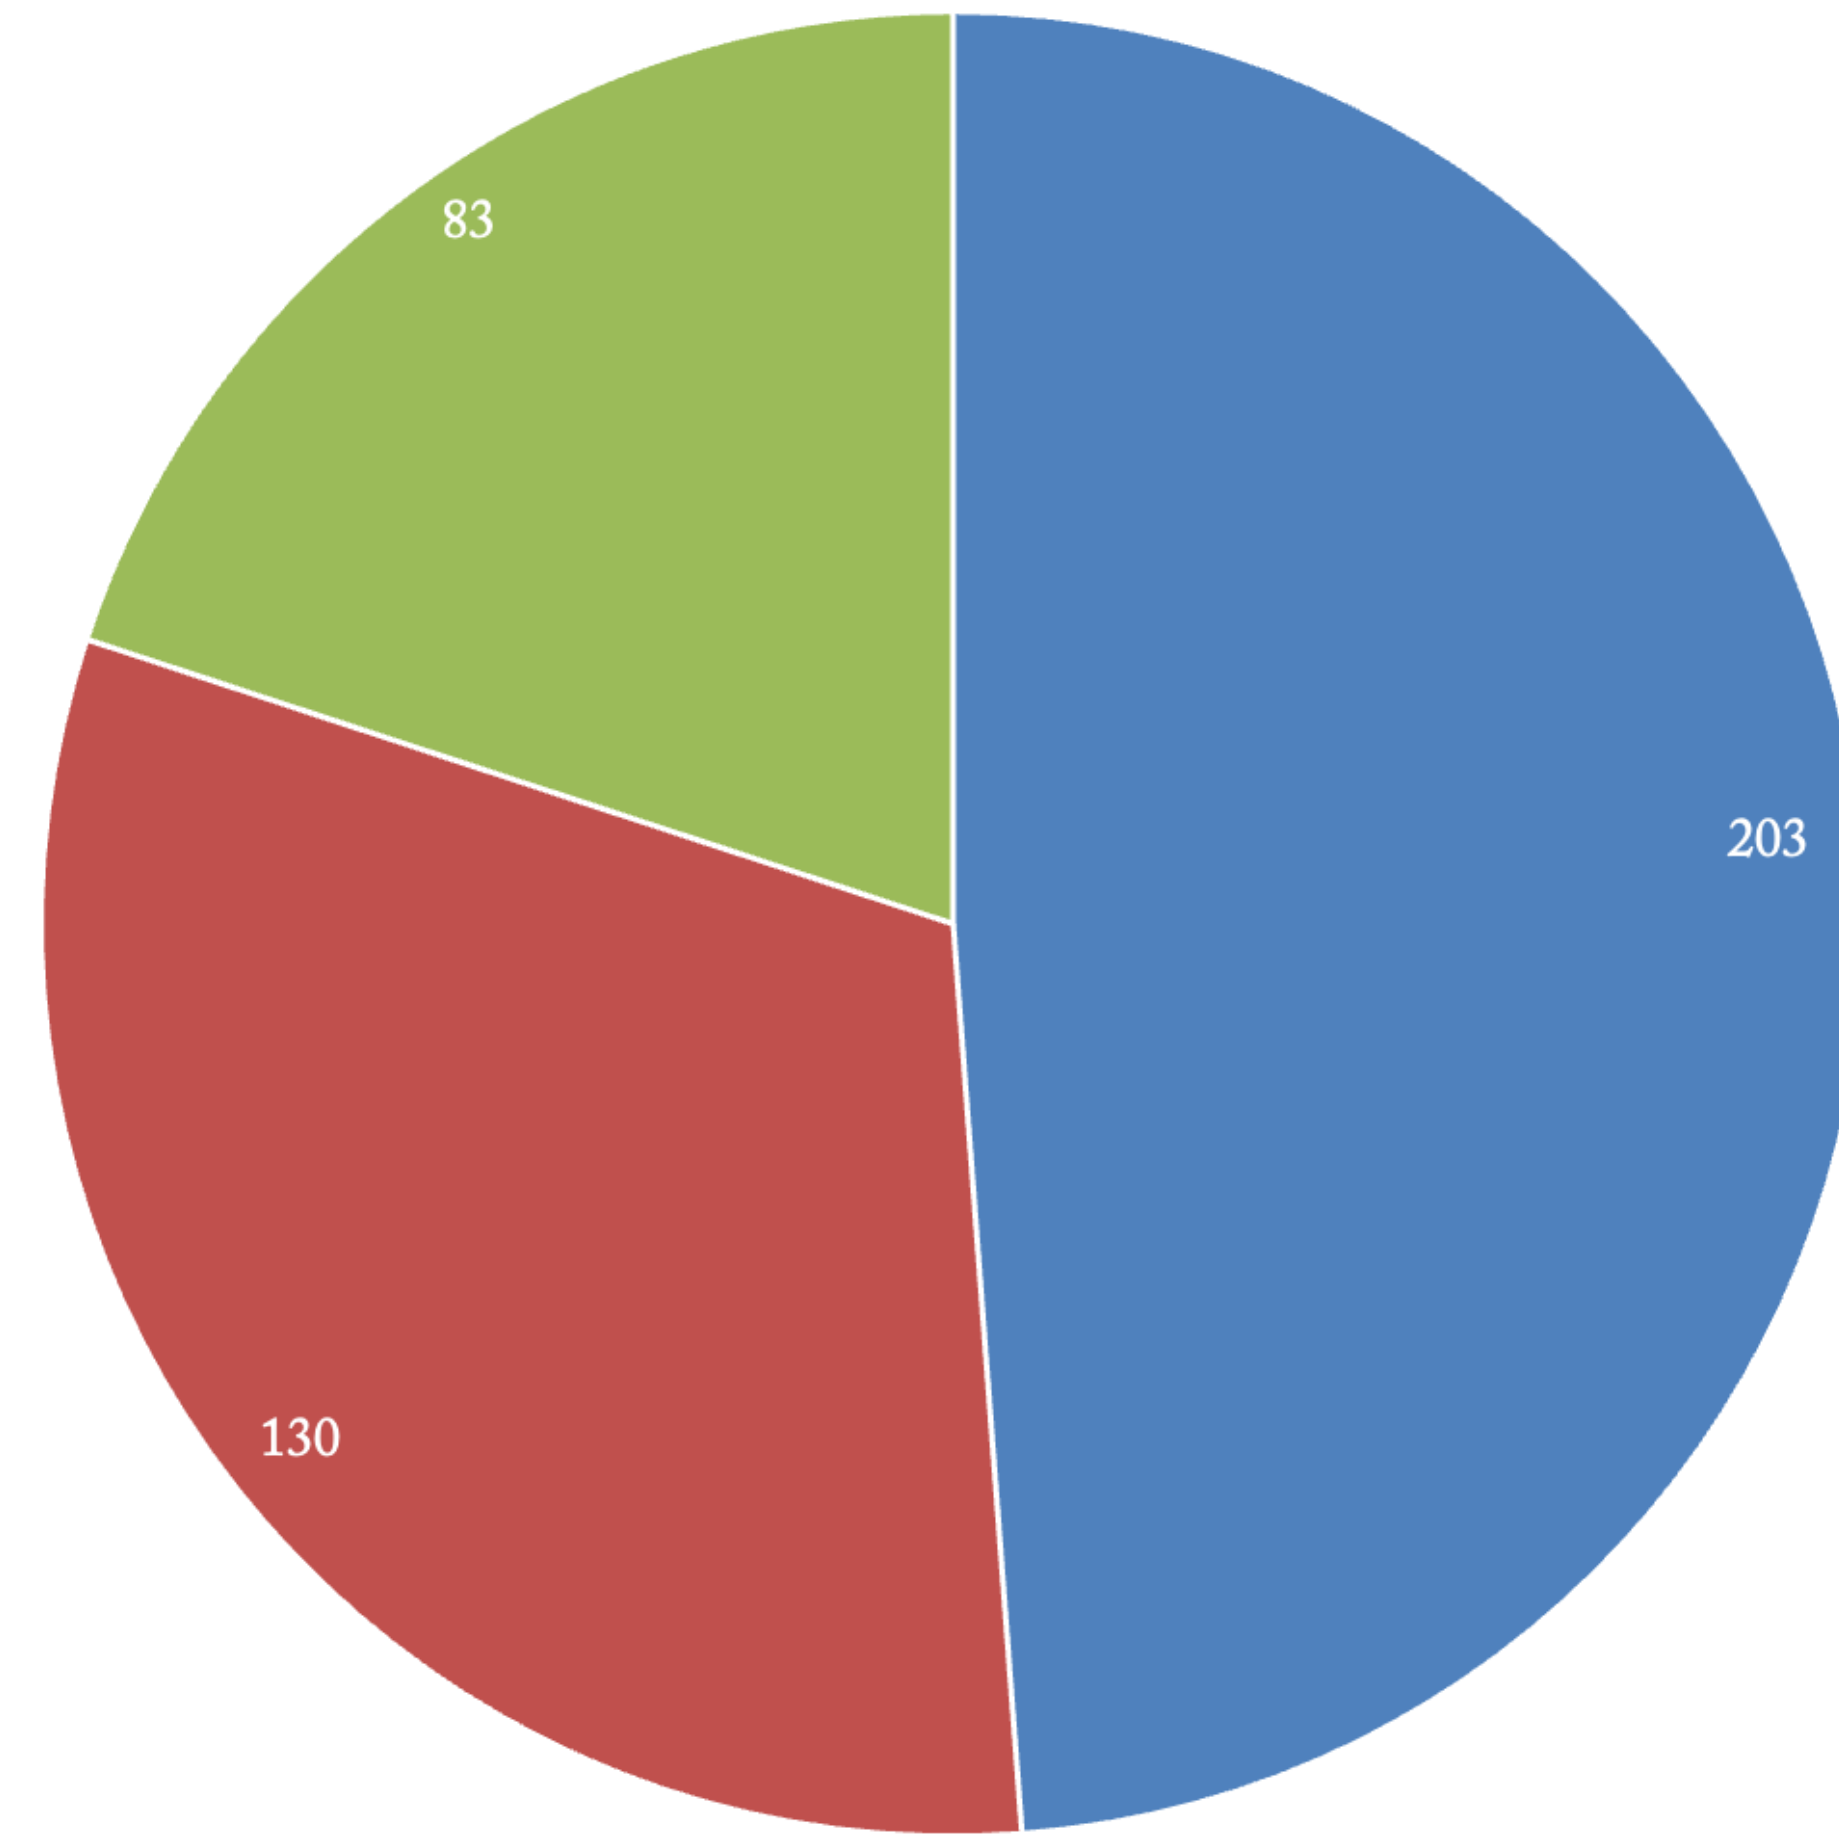

130- from US institutes inside NC

83- International participants

Soft Matter Around the World in Three Years 

July 29 – August 2, 2024
Raleigh, North Carolina

■ US Universities/Institutes Outside NC ■ US Universities/Institutes Inside NC ■ International Institutes

203 Attending from Universities/Institutes outside the NC Region
