

Resolution on IUPAP elections and procedure for handover of responsibilities for EC & CC

Candidates to be elected as members of the Executive Council or Commission Chairs are identified, following a regular nomination process, at latest 18 months before they are expected to take office. The candidates are proposed for election at the first possible General Assembly and successful candidates will then be elected as candidates designate.

All candidates designate will be invited, on the costs of the Union, to the following in-person EC&CC meeting and the General Assembly to ensure the continuity of the activities. The formal handover of responsibilities will normally take place on 1st January following the General Assembly.

For the EC & CC members elected this time at the GA 2024, the handover, with former and new members, will take place at a special meeting organized in January 2025.
