CERN, Geneva, September 15, 2016

Delegation of Ukrainian Scientists and students in CERN
Geneva, September 15, 2016

Special thanks to a great friend of the Junior Academy of Sciences of Ukraine!

We are sure the Junior Academy of Science of Ukraine - CERN cooperation will serve to form a young generation of scientists, to prepare students and teachers for active participation in the development of a free, democratic and sovereign Ukraine.

Thank you for your attention!

Glory to Ukraine!
