

**Session Program**

**May 28 - 29, 2024**

**CERN - Ukraine 2024: "Past - Present -  
Future" Conference, Kyiv Ukraine, May 28-29,  
2024**

***Session IV***

## Wed, May 29

9:00 AM

### Session IV

**Session** | **Location:** National Academy of Science, Kyiv, Ukraine and CERN Zoom | **Convener:** Boris Grynyov

09:00 - 09:15 **LIA France-Ukraine in the CERN Projects**

**Speaker**

Sergey Barsuk

09:20 - 09:35

**Implementation of the ECFA Detector R&D Roadmap and CERN - DRD1 Collaboration**

**Speaker**

Dr Maksym Titov

09:40 - 09:55

**CERN- Ukraine: Junior Academy of Science of Ukraine**

**Speaker**

Oleksandr Yurov

10:00 - 10:12

**Studies of the LPM and TSF effects at CERN**

**Speaker**

Dr Sergii Fomin

10:15 - 10:27

**Experimental investigation on steering of ultrarelativistic particle beams through axially oriented bent crystals**

**Speaker**

Laura Bandiera

10:30 - 10:42

**Study of Orientation Effects in the Passage of High-Energy Particles through Straight and Bent Crystals**

**Speaker**

Dr Igor Kyryllin

10:45 - 10:57

**Unexpected large isospin breaking in high-energy collisions**

**Speaker**

Prof. Francesco Giacosa

11:00 AM
