

Session Program

2-6 Dec 2024

DISCRETE 2024 in Ljubljana

Cosmology and Astroparticle Physics 1

Tuesday 3 December

15:30

Cosmology and Astroparticle Physics 1

Session | **Location:** Exhibition and Convention Center, Urška 3, Dunajska cesta 18, 1000 Ljubljana, Slovenia

15:30–15:45 **Highlights from the NA64 experiment**

Speaker

Benjamin Banto Oberhauser

15:45–16:00 **Highlights from space astroparticle physics experiments**

Speaker

Andrii Tykhonov

16:00–16:15 **Baryogenesis and gravitational waves from domain walls**

Speaker

Miguel Vanvlasselaer

16:15–16:30 **Wash-in leptogenesis from asymmetric Dirac neutrino scatterings**

Speaker

Peter Matak

16:45
