

2024 Theory Canada 16

Friday 24 May 2024 - Saturday 25 May 2024

University of Waterloo

Scientific Programme

The purpose of the Theory Canada meetings is to bring together Canada's broad range of theorists working a variety of areas. The intent is to foster new interdisciplinary collaborations and to provide students with information about the latest developments.

DTP/WITP P.R.Wallace PhD Thesis Prize talk (Geremia Massare)

Dr. Geremia Massarelli, the winner of the **2024 DTP/WITP P.R.Wallace PhD Thesis Prize** for the thesis entitled "The properties of Dirac materials: Strain, magnetoelectrics and Krein-Hermiticity", will deliver a keynote talk.
