

Session Program

22-27 Sept 2024

EPIC 2024: Electroweak Physics InterseCtions

Astrophysics

CalaSerena, Geremeas, Sardinia (Italy)

Tuesday 24 September

16:30

Astrophysics

Session | **Location:** CalaSerena, Geremeas, Sardinia (Italy) | **Convener:** Francesca Dordei

16:30–17:10 **Neutron Star physics with Gravitational waves**

Speaker

Cristiano Palomba

17:10–17:50 **Primordial Black Hole Dark Matter evaporating on the Neutrino Floor**

Speaker

Roberta Calabrese

17:50
